The Write STUFF!

BANGIN' BRIT

Alexis Silver

Hello everyone, and real big hugs to all my fans. I'm sure you all know that I'm British, but for those that didn't, I'm still a Brit. But I love it here in American and I especially getting fucked and having you watch me. I've been an adult performer for years. I really like cock, but pussy is exciting, too. But let me tell you about my first lesbian experiences before I got into the business because you'll never see it in videos.

I promised her I'd not reveal her real name so I'll call her Emily. I couldn't help but be attracted to her long blonde hair and beautiful blue eyes. I was smitten the moment I saw her. I was also pleasantly surprised when she started flirting with me. After hours, after closing down the salon, we headed to an office. I got there first and Emily a minute later. She came in and closed the door. We were both looking forward to this. Emily was going to play doctor, and I was going to be her patient.

She saw I was already wet with anticipation. Emily then traced my pussy lips with her hand before putting her glistening finger to her mouth. Her hands ran the length of my thighs as she lowered her head to my pussy. She moved her mouth over my clit, gently biting and sucking it. I watched her remove her clothes, leaving them in a heap on the cold tile floor. She crawled on top of me and

began to play with my quite large breasts. Her hands squeezed and tugged at them roughly before her mouth enveloped my nipple while she continued to kneading them.

She closed in and began to move her hips between my legs, grinding her clit into mine. I felt my body begin to shudder from the beginnings of a climax, but she pulled away from me. Bending over, she reached for something on the floor beside the desk. When I saw what she had, excitement welled up deeper inside me.

She had fastened a dildo in a harness onto herself and I couldn't wait for her to unleash it on me. I felt her finger slide inside of me to collect some of my juices before rubbing the glistening liquid on the shaft of the dildo. Emily stuck the tip just inside of my hot pussy before pulling back out. Then she pushed it inside me. I had never been fucked by a toy before.

She suddenly got up on the desk and straddled my hips before waving the strap on in front of my face. I grabbed the dildo and pushed it up so I could get at her sweet pussy right in front of me. I worked closer to it and found her pussy lips with the tip of my tongue and slowly parted them. It seemed as if she was freshly shaven in anticipation of this evening and that made me hotter. When

my tongue reached her clit she backed off me and said 'Not now.' in a quiet hush.

Just then the door opened and the cleaning lady walks in to see me spread-eagled on the desk and Emily wiping off the dildo. She looks over to the lady and tells her firmly to put her stuff down and come over here. She does so and Emily tells her to get on her knees at the foot of the table. She pushes her head into my pussy and I feel a soft tongue licking me again. I close my eyes.

ON THE SCENE A SEXY SWEDE IN BERLIN

My tech company has me stationed in Berlin. I've only been here a year and make a monthly commute back to London to company headquarters. Recently I decided to vacate the corporate apartment they had been leasing for me and get one of my own in a better part of town. While Berlin is beautiful and I've become accustomed to German culture, I've decided to get a more modern place to live – with a fitness facility, lap pool, and garage where I can park my car. It's in Prenzlauer Berg and there seems to be a younger crowd living in the neighbourhood.

So my new neighbour Linnea, is a tall Swede standing about 1.73 meters (that's about 5' 9") with ample breasts and a tight little ass guys dream about. She has long blonde hair with an oval face and full pouty lips. She's about 25 and an administrative assistant at a Swedish boarding school for diplomats' kids, and speaks six languages. Linnea and I have been flirting at the pool and sometimes talk about going a little further, but we never do. So today, it seemed that she enjoyed my flirtation because she flirted right back. We were sitting at the pool bar and she would brush my leg or squeeze my thigh as the alcohol dimmed our senses, but I didn't mind. One time she caught me looking at her boobs when her nipples were pushing hard against her bikini top. I looked away but she patted my butt to say it's okay.

On a Saturday afternoon, I heard a knock on my door and when I answered it was Linnea at the door with a large bag from a take-out Chinese restaurant. She asked if I would have lunch with her since she brought enough for two. I looked in the

bag and said "Sure, but only if I can open some wine." We both laughed and headed for the kitchen. She laid out the food and I popped the cork on a nice bottle of Riesling.

I tried to make small talk and listen to hers but that was difficult to do with her standing there in that short red dress that clung to her firm ass and the low cut top that barely covered her areolas. As I looked closer, I realized she wasn't wearing a bra, and again she caught me sneaking a peek at her

cleavage. Of course, my cock stiffened up and I was embarrassed to get out of my chair. She was leaning on the counter a few feet away when she caught me looking and then she smiled at me and said, "It's nice when a man notices a woman."

I think I blushed and she took a couple steps over to me and said, "You should get back to work. I'm sorry I kept you so long." I told her it was okay. That I was just wrapping it up for the day, anyway. After some more small talk and horny from the wine, I looked at her and said, "Well, since you didn't bring any dessert..." She put a finger to my lips and replied "Actually, I did."

Leaning over, she gave me a soft kiss on the cheek and slid her lips over to my lips. With her head bent down, she noticed the bulge in my pants and ran her hand down there to check if it was me or my keys. I felt her squeeze the hard flesh through my pants and she lightly tongued me as she did. I reached behind her and put my arm around her waist and down to her butt. She reached around me and pulled me up and out of my seat.

She turned away from me and asked if I would bring the wine glasses into the living room. I said "Sure." and poured a couple more inches into each of them. As I entered the room, I saw her untie her shoulder straps and watched as her dress fell off. Yes! No bra, but she also wasn't wearing any panties. Now her naked body stood in front of me and it was even sexier than I ever imagined.

I stared at her perfect breasts with their light brown nipples. Linnea turned sideways, bent down and picked up her dress off the floor and tossed it on a chair. "Are you ready for dessert?" she said in her sweet Ingrid Bergman voice. As she straightened up and walked over to me. I gave her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt, and not even undoing my belt, jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and

pulled it out. She stroked it a few times and knelt in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she engulfed my cock using my balls to pull it in.

After several minutes, she pulled her mouth off my cock and sat down on the edge of the sofa. She leaned back and spread her legs. I knelt in front of her and started to lick her dripping wet pussy. I put my arms under her knees and lifted her legs so I could get a better angle at her clit. I poked my tongue into her slit and she moaned for more. I pulled away and inserted my index finger, then added another as she squirmed and wiggled at their intrusion. Then she reached down and pulled my cock into her wet pussy and arched back at my first thrust. As I penetrated her again and again, her pussy squished each time and I felt her juices running down my balls and thighs. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached under to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy.

Now it was her turn. I was still hard and pumped into her some more. Linnea ground her hips into my cock. Then, with me still in her, I reached under her back, pulled her off the sofa, did a 360 and sat on it. Now she was riding me. She seemed to like this position and began bouncing up and down on me as I grabbed her breasts and gently squeezed as she came with a big grin on her face. She fell forward onto my chest and I pulled her closer smelling the fragrance of her hair. Slowly we got horizontal and as we lay there on the sofa in our sweat, she was playing gently with my cock and balls. I asked if we could do it again. She bent down and kissed the tip of my cock and said she'd be happy to bring dessert over again tomorrow.

ANGEL

I MADE ST. BARTH'S MY BITCH

I'm the type that knows what I want sexually and I am not afraid to go after it. And when I go out, I'm not looking to pick someone up. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, this night I felt like I really needed a man. But not just any man would do.

I was at the Pink Parakeet club in the Caribbean island of St. Barth's waiting to meet my friends. We were spring breaking and ready to let loose. In the huge mirror behind the bar I could see the entire club, as well as myself. It was spring and the temperature was quite warm, so I dressed in a rather skimpy, tight-fitting black vest, a short, tight black leather miniskirt and heels. My vest showed my tanned boobs off to perfection.

I was known for having bullet-like nipples that tended to poke through the little tops I would

wear. Tonight I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain but on nights like tonight, they were a definitely plus. My name is Angel and I am not usually one.

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it by ordering another glass of wine from the bartender. 'Fuck it,' I thought to myself. Let me see if I can get some action before my friends arrive. And

when they do, they'll have to find there own, because I'm not in the mood to share.

I finished my drink, tipped the bartender, and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 23 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact at about ten feet and I

smiled at him. As he approached me, we instinctively started to shuffle dance, getting closer and closer.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my moves. After about fifteen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into his ear. "I'm going to fuck you, now... in the rest room." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom.

The ladies rest rooms were generally not monitored. If there was to be trouble, it would most probably come from the men's room. At first, he was a little worried about going in the ladies room, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle after me.

Locking the door behind us, I told him to sit down and get his cock ready for a action. He did as I asked and pulled his jeans and boxers down. I grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see, while I continued playing with is cock. Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth; my lips closed around it; and I slowly backed off eyes looking up at him. I started to give him my special blow job moves and I sensed he knew it. I licked and sucked all around his penis and

dug my nails into his lower back as I pulled his hips into me to swallow that cock.

I then pushed him down on the seat and straddled him. First, I lifted my skirt even more and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock too fast. By this time, I was dripping wet and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes while I grinded on him.

I undid the remaining buttons on my vest and my boobs bounced out off their restraints. My nipples were hard, and I knew if he sucked them, it would get me closer to the edge. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate

of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down on him and changed from my previous gentle motion to a harder grind in a forward and backward motion, making sure my clit was pressing hard against the base of his cock.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick

my butt hole, but I'm not ready for that with him, so I pulled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down and the final workout began. I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my super-hard nipples. This was now starting to really send me over the edge. And him too apparently.

As I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. The feeling of his hot cream spurting inside me felt fantastic but it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit and within a few seconds, I felt the

wave of an orgasm start to spread throughout my body.

I realized I didn't actually know his name but gave him a quick peck on the cheek and following a quick clean-up, we opened the cubicle door and walked out of the stall. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the rest room. Admittedly, we were so unaware of others in the rest room.

We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was Nikki, one of my friends finally arriving – an hour too late. But I didn't mind. I had spent the time the way I wanted. I didn't bother to introduce them to him. After a while, I told them I had to use the ladies room. I looked over at him and left first. A few minutes later he followed me for round two!
